Just decide on your block. Will it be an old traditional pattern, or a new design?

Do you like to piece or applique? Maybe both? - or something else?

Assemble a 16 1/2" block in any style, using 100% cotton fabric.

Sandwich your block with a lo-loft batting of your choice.

Use a solid-colored backing of Superman Blue (Royal Blue).

Quilt by hand or machine, just the way you like.

Leave the edges "raw"; don't bind your block.

Sign your name and city and state on the back and
